

## Chart Hills has three members competing in this week's BBC Radio Kent Ladies English Open

There will be plenty of home talent for spectators to cheer on at the BBC Radio Kent Ladies English Open this week – as host club Chart Hills has three of its own members participating.

Danielle Masters, 23, and Laura Terebey, 22, are rookies on the Ladies European Tour. But Anna Lisa Johannsdottir, 22, is an amateur and is the recipient of a sponsor's invite.

Masters (pictured) may be running into form at the right time. Her best finish of the season came at the recent Nykredit Masters, in Copenhagen, where she finished tied eighth. That followed a joint 10th finish at the Wales Ladies Championship of Europe last month. American-born Terebey has competed in six events on this year's Tour with her best finish coming at the KLM Ladies Open.

The Ladies' English Open is the final event in "The 18 Finest" virtual golf course tournament in which a 100,000 euro prize fund has been put up by Banque Baring Brothers Sturdza SA. Spain's Ana Belen Sanchez leads by six strokes heading into this weekend. With only five players left in the race, the players must first ensure they make the cut to qualify.

### Meet the Staff... LET Sports Psychologist Vicki Aitken

The LET is lucky to have an extremely well-qualified sports psychologist as part of its team. Vicki Aitken, who joined the Tour in 2001, completed her undergraduate degree at the University of Auckland before moving on to the University of Otago where she attained not only her Postgraduate Diploma but her Masters degree in sports psychology.

Vicki added a further string to her bow with her accreditation by the British Association of Sport and Exercise Science, awarded after a rigorous assessment.

All this puts Vicki in an excellent position to help her clients work on the mental part of their game which many will agree is the hardest to master! Satisfaction for Vicki comes from knowing the skills she imparts to her clients are equally applicable on and off the golf course.

### The Rules with Sally

When play is discontinued due to conditions becoming unplayable three players wished to practice on the driving range. The exception to Rule 7-2 "Practice During Round" makes provision for players wishing to practice during a suspension of play.

The players were allowed to practice until the resumption of play when the exception to 7-2 no longer applies.

When play is resumed the players had a 10 minute wait for the group ahead to complete play of the hole before they could play. Although the players must be present and ready to play when it becomes possible for them to play (Decision 6-8b/9), Rule 7-2 "Practice During Round" now applies. The three players cannot spend the 10 minutes they will have to wait practicing.

### What's in the bag? Heidi McCulkin

Australia's Heidi McCulkin, who splits her time between the LET and tournaments in China, carries a bottle of Bach's Rescue Remedy in her golf bag at all times, and with good reason! Designed to restore balance in times of stress, this daredevil has put it to good use after jumping off Macau Tower - a height of 233 metres.
